**PROFESSOR BENEDYKT DYBOWSKI – A FAMOUS RESEARCHER OF  
COMMON NATURAL HERITAGE OF POLAND, BELARUS AND UKRAINE**  
devoted to the 185<sup>th</sup> anniversary of the birth of a famous naturalist

Dates and venue:

**10-12 May 2018**

(Ivan Franko National University of Lviv)

Topics of discussion:

- 1. B. Dybowski – a famous scientist of late XIX - early XX centuries and his legacy.*
- 2. Continuity of B. Dybowski's research work: theoretical and practical approaches to the study and evaluation of the current state of biotic systems.*
- 3. Benedict Dybowski's contribution in other fields.*

To participate in the conference an applicant should submit an electronic application form along with the title and a brief abstract of his article (up to 1000 characters in Ukrainian, Polish or Russian) **by March 1, 2018**. The authors of the best abstracts will be invited to submit scientific articles (4 scientific articles per country, 15-20 pages each). The deadline for submission of scientific articles is March 10, 2018. The application form should be sent to the following e-mail address: **vasyl.khimyak@pl-by-ua.eu**

**Following to the Conference results, it is planned to publish a collection of conference materials in the original languages along with the summaries in English.**

Conference participants will receive invitations and additional information on relevant organizational issues by e-mail. The organizing committee of the conference reserves the right to select the scientific articles in its discretion.

Topics of speeches and their contents, which do not correspond to the declared topics of the conference, will not be considered.

**Working languages of the conference: Ukrainian, Polish, Russian and English**

The event is funded by the Cross-Border Cooperation Programme Poland-Belarus-Ukraine 2007-2013
